FEDERATION TO PLAN FOR LAWS

To Be Asked of the Legislature commission, but it falled to meet the approval of the federation which last

approval of the federation which last year appointed a committee with Mrs.

Guy R. C. Allen, of Wheeling, as chairman, to draw up a model bill. This committee is expected to make a report at this session. Prior to the opining today a meeting of the library committee was held. Miss S. Coolley Page, state chairman of literature and library extension, presided and addresses were made by a number of authorities on library commissions.

Associated Present.

approval of the federation which last year appointed a committee with Mrs. Guy R. C. Allen, of Wheeling, as chairman, to draw up a model bill. This committee is expected to make a league of America on the topic "The Necessity of Better Films in the Theacters,"

The principal speakers on Thursday will be Miss Helen Varick Bosand addresses were made by a number of authorities on library commissioner; and Mrs. Roy state tax commissioner; and Mrs. Roy the thirteenth annual convention of the West Virginia Federation of Women's Club convened Tuesday afternoon. In view of the fact that the state law makers will be in session next year, members of the organization hope to be able at this meeting to draw up into form practically all bills recommended by the convention for submission to the legislators. The present session is expected to be one of the most important in the history of the federation.

One of the principal topics to be considered will be the proposed library commission. Two years ago the state legislature passed a bill permitting counties to levy a small assessment for public libraries. A bill was also prepared providing for a Momen's Clubs; Pred O. Blue, of Charleston, state tax commissioner; and Mrs. Roy Emery Fletcher, of New York, chairman of vocational training and guidance, General Federation of Women's Clubs, at the afternoon session tell-many pointed and the report of the composition of the subject of the composition of the composition of the subject of the composition of the subject of the composition of the subject of the composition of

there because it cleanes the blood thoroughly. It has been successfully used for forty years.

For rheumatism, stomach and kidney troubles, general debility and all ills arising from impure blood, Hood's has no equal. Get it from your pearest dynamist today. from your nearest druggist today.

DAMAGE SUIT

Will Be Filed by Coal Company the field.

No prevision has been made by the against Unions and Their Members.

PUNXSUTAWNEY, Pa., Oct. 25.—
Rochester® and Pittsburg Coal and
Coke Company, whose mines here are
closed by a strike of 2,500 miners who
presented a new scale after the company signed the scale of the United
Mine Workers of America, announced
Tuesday that suit would be filed
against each miner and the local union,
of which they are members, asking against each miner and the local union, of which they are members, asking damages because of the suspension.

The company's lawyers are now,emgaged in framing the petition, which alleges the men violated their agreement signed April 15 last when they quit work demanding a new scale. It contends that the United Mine Workers are just as lightly for breach of conare just as liable for breach of con-tract as any responsible corporation or individual. The suit, officers of the company said, was based on the decision in the Danbury hatters case.
